Conformity

This certificate attests that all provisions concerning the assessment and verification of the constancy of performance described in Annex ZA of the standard(s) EN 1090-1:2009 + A1:2011 under system 2+ are applied and that the factory production is assessed to be in conformity with the applicable requirements.

Period of validity

This certificate was first issued on 15-07-2014 and will remain valid as long as neither the harmonized standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant(s) are modified significantly, unless suspended or withdrawn by the notified body for the factory production control. The validity of this certificate can be verified at <https://www.tuv.nl>. Changes as stipulated in EN 1090-1 that can affect the validity of the certificate shall be submitted to TÜV as obligation by the manufacturer in writing via <https://www.certificering-keuring.nl/en-1090-wijzigingsformulier>.
